Why Know Your Calling?

A *calling* is a summons from God to a unique ministry task that accomplishes His purposes.

Why should you know your calling?

- It's why you're here on earth.
- You're accountable to God for it.
- It brings focus to your life.
- It's the greatest adventure in your life!

Frederick Buechner wrote, *"The place where God calls you is the place where your deep gladness and the world's deep hunger meet."*

- What brings you deep gladness?
- What is the world's deepest hunger?

Answer those two questions and you have a calling. Give your greatest strength to the world's deepest need.
